SECTION I - INVITATION TO TENDER

22nd February, 2019.

TENDER REF NO. WRA/ RFP/2/2018-2019

TENDER NAME: CONSULTANCY SERVICES FOR IMPLEMENTATION OF L.KENYATTA CONSERVATION PROGRAMME

1.1 Water Resources Authority (WRA) is a state corporation established under Section 11 of the Water Act, 2016. Pursuant to Section 6 of the Act which came in to effect on 21st April, 2017 vide Legal Notice No. 59, the Authority is an Agent of the National Government responsible for regulating the management and use of water resources. The Water Act, 2016 makes extensive provisions on the Authority's role in regulating the use and management of water resources.

WRA was operationalized vide Legal Notice No. 60 on 21st of April, 2017. However, the Authority has been in existence for 12 years following its' establishment under the Water Act, 2002 as Water Resources Management Authority (WRMA).

1.2 The Water Resources Authority (WRA) invites proposals for CONSULTANCY SERVICES FOR IMPLEMENTATION OF L.KENYATTA CONSERVATION PROGRAMME

More details of the requirements are provided in the TORs' here in:

1.8 Water Resources Authority (WRA) reserves the right to accept or reject any offer giving reasons thereof and does not bind itself to accept the lowest or any tender.

Bidders who do not adhere to the submission instructions shall be declared non responsive. Any canvassing or giving of false information will lead to automatic disqualification.

**Chief Executive Officer
Water Resources Authority**

SECTION II – INFORMATION TO CONSULTANTS (ITC)

2.1 Introduction

- 2.1.1 The Client named the Appendix to “ITC” will select a firm among those invited to submit a proposal, in accordance with the method of selection detailed in the appendix. The method of selection shall be as indicated by the procuring entity in the Appendix.
- 2.1.2 The consultants are invited to submit a Technical Proposal and a Financial Proposal, or a Technical Proposal only, as specified in the Appendix “ITC” for consulting services required for the assignment named in the said Appendix. A Technical Proposal only may be submitted in assignments where the Client intends to apply standard conditions of engagement and scales of fees for professional services which are regulated as is the case with Building and Civil Engineering Consulting services. In such a case the highest ranked firm of the technical proposal shall be invited to negotiate a contract on the basis of scale fees. The proposal will be the basis for Contract negotiations and ultimately for a signed Contract with the selected firm.
- 2.1.3 The consultants must familiarize themselves with local conditions and take them into account in preparing their proposals. To obtain first-hand information on the assignment and on the local conditions, consultants are encouraged to liaise with the Client regarding any information that they may require before submitting a proposal and to attend a pre-proposal conference where applicable. Consultants should contact the officials named in the Appendix “ITC” to arrange for any visit or to obtain additional information on the pre-proposal conference. Consultants should ensure that these officials are advised of the visit in adequate time to allow them to make appropriate arrangements.
- 2.1.4 The Procuring entity will provide the inputs specified in the Appendix “ITC”, assist the firm in obtaining licenses and permits needed to carry out the services and make available relevant project data and reports.
- 2.1.5 Please note that (i) the costs of preparing the proposal and of negotiating the Contract, including any visit to the Client are not reimbursable as a direct cost of the assignment; and (ii) the Client is not bound to accept any of the proposals submitted.
- 2.1.6 The procuring entity’s employees, committee members, board members and their relative (spouse and children) are not eligible to participate.

2.2 Clarification and Amendment of RFP Documents

- 2.2.1 Consultants may request a clarification of any of the RFP documents only up to seven [7] days before the proposal submission date. Any request for clarification must be sent in writing by paper mail or electronic mail to the Client’s address indicated in the Appendix “ITC”. The Client will respond by electronic mail to such requests and will send written copies of the response (including an explanation of

the query but without identifying the source of inquiry) to all invited consultants who intend to submit proposals.

2.2.2 At any time before the submission of proposals, the Client may for any reason, whether at his own initiative or in response to a clarification requested by an invited firm, amend the RFP. Any amendment shall be issued in writing through addenda. Addenda shall be sent by electronic mail, to all invited consultants and will be binding on them. The Client may at his discretion extend the deadline for the submission of proposals.

2.3 Preparation of Technical Proposal

2.3.1 The Consultants proposal shall be written in English language.

2.3.2 In preparing the Technical Proposal, consultants are expected to examine the documents constituting this RFP in detail. Material deficiencies in providing the information requested may result in rejection of a proposal.

2.3.3 While preparing the Technical Proposal, consultants must give particular attention to the following:

- (i) If a firm considers that it does not have all the expertise for the assignment, it may obtain a full range of expertise by associating with individual consultant(s) and/or other firms or entities in a joint venture or sub consultancy as appropriate. Consultants shall not associate with the other consultants invited for this assignment. Any firms associating in contravention of this requirement shall automatically be disqualified.
- (ii) For assignments on a staff-time basis, the estimated number of professional staff-time is given in the Appendix. The proposal shall however be based on the number of professional staff-time estimated by the firm.
- (iii) It is desirable that the majority of the key professional staff proposed be permanent employees of the firm or has an extended and stable working relationship with it.
- (iv) Proposed professional staff must as a minimum, have the experience indicated in Appendix, preferably working under conditions similar to those prevailing in Kenya.
- (v) Alternative professional staff shall not be proposed and **only one Curriculum Vitae (CV)** may be submitted for each position.
- (vi) Complete the Technical Proposal, addressing the Scope and Business Requirements included in Section III.
- (vii) Do not use less than a 12 point font for the Technical Proposal
- (viii) Do not exceed 30 pages for the Technical Proposal.
- (ix) Label any and all files using the corresponding Section numbers of the RFP so that Water Resources Authority (WRA) can easily organize and navigate the Consultant's Proposal.
- (x) Proofread your Proposal and make sure it is accurate and readily understandable.

2.3.4 The Technical Proposal shall provide the following information using the attached Standard Forms. The contents of each technical proposal package will include:

- (1) Technical Proposal (maximum of 30 pages, not including title pages, table of contents, cover letter and appendices/attachments)
 - A. **Cover page of this RFP** (excluded from page count):
 - B. **Executive Summary** (maximum of two pages): The Consultant shall demonstrate its understanding of Water Resources Authority (WRA) assignment objectives. The Consultant shall summarize the key elements of its proposal response, including any factors that differentiate the Consultant's organization from its competitors. The Consultant shall present an overview of its capabilities and the methods it proposes to use to accomplish the tasks in the Scope of Work, and identify any significant difficulties it anticipates and provide its plan for resolution.
 - C. **Company Overview and Qualifications** (maximum of five pages): The Consultant shall provide background and financial information on its organization, including: years of operation, type of organization (corporation, Limited etc.), organizational structure, number of employees, summary-level financial information demonstrating financial stability (including any significant litigation or pending litigation that could impact financial stability), and web site references (if applicable). The Consultant shall describe how the organization meets the minimum organizational requirements outlined in Section II. The Consultant shall describe its organizational experience in Catchment conservation activities. The Consultant shall describe its organizational experience in Catchment Conservation activities at similar organizations (preferably public organizations). The Consultant shall identify clients similar to Water Resources Authority (WRA) and that are relevant to this assignment. The Consultant shall identify any subcontractors and/or independent contractors planned to be used on this project.
 - D. **Project Team Experience and Qualifications** (maximum of nine pages): The Consultant shall identify the project team proposed to fulfill the requirements of this RFP. The Consultant shall describe how the project team members meet the minimum Key Staff requirements outlined in Section II. The Consultant shall include an organizational chart of the project team that illustrates the roles of the team members and reporting hierarchies. Please describe how this project team has worked together on similar projects in the past. Following the organizational chart, the Consultant shall describe the role of each team member including their work/duties/responsibilities. This section should detail the experience of the proposed Lead Consultant and highlight the experience of the proposed key personnel, including education, management and technical experience, and professional development, including specific skills and ability in pertinent disciplines (i.e. project management, financial systems, financial control, and support services). Each Consultant shall identify three professional references for their proposed Project Manager. The Consultant shall include detailed resumes as an attachment, which will not count towards the nine page maximum. The Consultant shall identify team members staffed using a subcontractor and/or independent contractor.

Water Resources Authority (WRA) has defined the following positions as Key Staff: Lead Consultant, Consultant and Support Staff/Functional Leads. The Consultant will not replace Key Staff without the prior written consent of the Water Resources Authority (WRA). For each Key Staff team member proposed, the Consultant shall identify the team member's time commitment to this project (measured in percentage of work day, not to exceed 100 percent). Additionally, the Consultant

shall identify the available start date and any other current or future obligations for Key Staff.

- E. **Work Plan and Approach** (maximum of thirteen pages): The Consultant shall identify and describe its proposed work plan, approach, and methodologies to fulfilling the scope requirements of this RFP.. The Consultant shall identify a resource-loaded proposed project plan (may be included as an attachment) demonstrating the time frame the Consultant plans to achieve the project scope. The Consultant shall fully describe its proposed approach to: Project Management, Reporting, Data Conversion, Quality Assurance, Water Resources Authority (WRA) Participation. The Consultant may include examples or samples of tools and templates as attachments, such as sample implementation plan for a similar project. The Consultant shall identify specific deliverables relevant to each milestone. The Consultant shall identify any assumptions made in preparing its work plan and approach.
- F. **References** (maximum of one page): The Consultant shall include at least three and no more than five references similar to the assignment being requested by Water Resources Authority (WRA). Water Resources Authority (WRA) prefers references from the public sector) that contracted with the Consultant. The Consultant shall provide the following information for each reference: client organization name, assignment name, client contact name, client contact phone number, client contact e-mail, description of assignment, project fees, and assignment start/end dates. The Consultant may also identify an alternate client contact. The Consultant should also identify which proposed assignment team members worked on each listed reference.

2.3.5 The Technical Proposal shall not include any financial information.

2.4 Preparation of Financial Proposal

- 2.4.1 In preparing the Financial Proposal, consultants are expected to take into account the requirements and conditions outlined in the RFP documents. The Financial Proposal should follow Standard Forms (Section D). It lists all costs associated with the assignment including:
 - (a) remuneration for staff (in the field and at headquarters), and;
 - (b) reimbursable expenses such as subsistence (per diem, housing), transportation (for mobilization and demobilization), services and equipment (vehicles, office equipment, furniture, and supplies), office rent, insurance, printing of documents, surveys, if it is a major component of the assignment. If appropriate these costs should be broken down by activity.
- 2.4.2 The Financial Proposal should clearly identify as a separate amount, the local taxes, duties, fees, levies and other charges imposed under the law on the consultants, the sub-consultants and their personnel, unless Appendix “A” specifies otherwise.
- 2.4.3 Consultants shall express the price of their services in Kenya Shillings. The Consultant shall also note the proposed Payment Schedule for Professional Services during implementation of the project.

- 2.4.4 Commissions and gratuities, if any, paid or to be paid by consultants and related to the assignment will be listed in the Financial Proposal submission Form.
- 2.4.5 The Proposal must remain valid for 120 days after the submission date. During this period, the consultant is expected to keep available, at his own cost, the professional staff proposed for the assignment. The Client will make his best effort to complete negotiations within this period. If the Client wishes to extend the validity period of the proposals, the consultants shall agree to the extension.
- 2.4.6 The Consultant shall provide any underlying assumptions as part of the Cost Proposal. Consultant shall propose “not-to-exceed” amounts for the cost elements.

2.5 Submission, Receipt, and Opening of Proposals

- 2.5.1 The original proposal (Technical Proposal and, if required, Financial Proposal; see para. 1.2) shall be prepared in indelible ink. It shall contain no interlineation or overwriting, except as necessary to correct errors made by the firm itself. Any such corrections must be initialed by the persons or person authorized to sign the proposals.
- 2.5.2 For each proposal, the consultants shall prepare the number of copies indicated in Appendix “A”. Each Technical Proposal and Financial Proposal shall be marked “ORIGINAL” or “COPY” as appropriate. If there are any discrepancies between the original and the copies of the proposal, the original shall govern.
- 2.5.3 The original and all copies of the Technical Proposal shall be placed in a sealed envelope clearly marked “**TECHNICAL PROPOSAL**,” and the original and all copies of the Financial Proposal in a sealed envelope clearly marked “**FINANCIAL PROPOSAL**” and warning: “**DO NOT OPEN WITH THE TECHNICAL PROPOSAL**”. Both envelopes shall be placed into an outer envelope and sealed. This outer envelope shall bear tender reference number and be deposited in the Tender Box at 10th floor, wing B of NHIF Building and be addressed to,

*The Chief Executive Officer
Water Resources Authority
P. O. Box 45250-00100
Nairobi*

So as to be received on or before 7TH March, 2019 at 11:00 am East Africa Time

Note: It is important to adhere to the aforementioned submission instructions and guidelines. Bidders who do not comply with the submission instruction and guidelines shall be declared non responsive and hence disqualified from further evaluation

- 2.5.4 The completed Technical and Financial Proposals must be delivered at the submission address on or before the time and date stated in the Appendix “ITC”. Any proposal received after the closing time for submission of proposals shall be returned to the respective consultant unopened.

2.5.5 After the deadline for submission of proposals, the Technical Proposal shall be opened immediately thereafter by the opening committee in the presences of bidders or their representative who chose to attend The Financial Proposal shall remain sealed and deposited with a responsible officer of the client department up to the time for public opening of financial proposals.

2.6 Proposal Evaluation General

2.6.1 From the time the bids are opened to the time the Contract is awarded, if any consultant wishes to contact the Client on any matter related to his proposal, he should do so in writing at the address indicated in the Appendix "ITC". Any effort by the firm to influence the Client in the proposal evaluation, proposal comparison or Contract award decisions may result in the rejection of the consultant's proposal.

2.6.2 Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

The evaluation will be done in three stages as follows

1. Mandatory(Statutory requirements)
2. Technical
3. Financial

Note: The consultant must provide the information using the forms provided in Annexure I (Form A.1, A.2), Annexure II (Form B.1, B.2, B.3) and Annexure III (Form C.1, C.2, C.3). The information will be used in evaluation.

The consultant must state compliance of the forms as defined in Annexure IV.

2.6.2.1 Mandatory Documents (Statutory requirements).

1. Company Registration/incorporation Certificate
2. Kenya Revenue Authority PIN Certificate (*to be verified*)
3. Kenya Revenue Authority VAT registration Certificate, (*to be verified*)
4. Kenya Revenue Authority Valid Tax Compliance Certificate, (*to be verified*)
5. Valid Business Trading License for 2018.
6. Duly filled and signed Confidential Business Questionnaire
7. The Tender security of **Kshs 80,000 (Eighty Thousand Kenya Shillings)** in form of bank guarantee from financial institution recognized by PPRA
8. Submission of the bid documents in two (**2no**) separate Envelopes for Technical and Financial Proposal, both the financial and technical must be submitted with a copy of each , clearly marked original/copy
9. Duly filled and signed Anti-Corruption Affidavit and statement/declaration forms
10. All pages of the bid documents must be signed, paginated and stamped. The table of contents should also be provided and the document accordingly arranged.

Note: All the above documents must be provided to qualify for Technical evaluation

2.6.2.2 Technical Evaluation of Proposal

The evaluation committee appointed by the Client shall evaluate the proposals on the basis of their responsiveness to the Terms of Reference, applying the evaluation criteria as follows:

	Points
(i) Specific experience of the consultant related to the assignment	(5-10)
(ii) Adequacy of the proposed work plan and methodology in responding to the terms of reference	(20-40)
(iii) Qualifications and competence of the key staff for the assignment	(30-40)
(iv) Technical/Oral Presentation Interview	<u>(0-10)</u>
Total Points <u>100</u>	

2.6.2.3 Technical/Oral Presentation Interview

The firms with the highest point total of **70Marks** and above after technical evaluation will be shortlisted and requested to sit for a technical/oral presentation interview with the Evaluation Committee. The pass mark to proceed to the financial evaluation shall be **75 marks**. The interview will last approximately 60 minutes, including approximately 30 to 45 minutes for the Consultant to present their work plan and approach. Shortlisted firms who fail to participate in the interview will be considered nonresponsive and eliminated from further consideration by the Evaluation Committee.

During the interview, the Evaluation Committee will ask questions that will assist the committee in appraising the technical capability of the Consultant and key staff to provide the desired services.

Only Key Staff and Consultant team members assigned to this project should be present at the oral interviews. Interviews/presentation dates will be communicated.

NOTE: It is advised that Key Staff be present at the interviews/presentations

Note: Only Bidders (Proposals) who have passed the pass mark shall be invited for Technical/ Oral Presentation and the marks obtained shall be added to their technical scores. Pass mark 75 marks

2.6.2.4 Financial Evaluation.

Mandatory requirement

1. Audited financial statement reports for the last three years. 2015, 2016 and 2017/18- signed by Audit firm and certified as true copy of the Original.
2. Bank statement for the last six months and or Bank credit facility letter.

Note: The lowest evaluated proposal shall be awarded the contract

Each responsive proposal will be given a technical score (St). A proposal shall be rejected at this stage if it does not respond to important aspects of the Terms of Reference or if it fails to achieve the minimum technical score indicated in the Appendix "ITC".

2.7 Public Opening and Evaluation of Financial Proposal

- 2.7.1 After Technical Proposal evaluation, the Client shall notify those consultants whose proposals did not meet the minimum qualifying mark or were considered Non-responsive to the RFP and Terms of Reference, indicating that their Financial Proposals will be returned after completing the selection process. The Client shall simultaneously notify the consultants who have secured the minimum qualifying mark, indicating the date and time set for opening the Financial Proposals and stating that the opening ceremony is open to those consultants who choose to attend. The opening date shall not be sooner than seven (7) days after the notification date. The notification may be sent by registered letter or electronic mail.
- 2.7.2 The Financial Proposals shall be opened publicly in the presence of the consultants' representatives who choose to attend. The name of the consultant, the technical scores and the proposed prices shall be read aloud and recorded when the Financial Proposals are opened. The Client shall prepare minutes of the public opening.
- 2.7.3 The evaluation committee will determine whether the financial proposals are complete (i.e. whether the consultant has costed all the items of the corresponding Technical Proposal and correct any computational errors. The cost of any unpriced items shall be assumed to be included in other costs in the proposal. In all cases, the total price of the Financial Proposal as submitted shall prevail.
- 2.7.4 While comparing proposal prices between local and foreign firms participating in a selection process in financial evaluation of Proposals, firms incorporated in Kenya where indigenous Kenyans own 51% or more of the share capital shall be allowed a 10% preferential bias in proposal prices. However, there shall be no such preference in the technical evaluation of the tenders. Proof of local incorporation and citizenship shall be required before the provisions of this sub-clause are applied. Details of such proof shall be attached by the Consultant in the financial proposal.
- 2.7.5 The formulae for determining the Financial Score (S_f) shall, unless an alternative formulae is indicated in the Appendix "ITC", be as follows:-
 $S_f = 100 \times \frac{F_m}{F}$ where S_f is the financial score; F_m is the lowest priced financial proposal and F is the price of the proposal under consideration. Proposals will be ranked according to their combined technical (S_t) and financial (S_f) scores using the weights (T =the weight given to the Technical Proposal; P = the weight given to the Financial Proposal; $T + P = 1$) indicated in the Appendix. The combined technical and financial score, S , is calculated as follows:- $S = S_t \times T\% + S_f \times P\%$. The firm achieving the highest combined technical and financial score will be invited for negotiations.
- 2.7.6 The tender evaluation committee shall evaluate the tender within 30 days of from the date of opening the tender.
- 2.7.7 Contract price variations shall not be allowed for contracts not exceeding one year (12 months).

2.7.8 Where contract price variation is allowed, the variation shall not exceed 25% of the original contract price

2.7.9 Price variation requests shall be processed by the procuring entity within 30 days of receiving the request.

2.8 Negotiations

2.8.1 Negotiations will be held at the same address as “address to send information to the Client” indicated in the Appendix “ITC”. The aim is to reach agreement on all points and sign a contract.

2.8.2 Negotiations will include a discussion of the Technical Proposal, the proposed methodology (work plan), staffing and any suggestions made by the firm to improve the Terms of Reference. The Client and firm will then work out final Terms of Reference, staffing and bar charts indicating activities, staff periods in the field and in the head office, staff-months, logistics and reporting. The agreed work plan and final Terms of Reference will then be incorporated in the “Description of Services” and form part of the Contract. Special attention will be paid to getting the most the firm can offer within the available budget and to clearly defining the inputs required from the Client to ensure satisfactory implementation of the assignment.

2.8.3 Unless there are exceptional reasons, the financial negotiations will not involve the remuneration rates for staff (no breakdown of fees).

2.8.4 Having selected the firm on the basis of, among other things, an evaluation of proposed key professional staff, the Client expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, the Client will require assurances that the experts will be actually available. The Client will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or that such changes are critical to meet the objectives of the assignment. If this is not the case and if it is established that key staff were offered in the proposal without confirming their availability, the firm may be disqualified.

2.8.5 The negotiations will conclude with a review of the draft form of the Contract. To complete negotiations the Client and the selected firm will initial each page of the agreed Contract. If negotiations fail, the Client will invite the firm whose proposal received the second highest score to negotiate a contract.

2.8.6 The procuring entity shall appoint a team for the purpose of the negotiations.

2.10 Award of Contract

2.10.1 The Contract will be awarded following negotiations. After negotiations are completed, the Client will promptly notify other consultants on the shortlist that they were unsuccessful and the reasons thereof and return the Financial Proposals of those consultants who did not pass the technical evaluation.

2.10.2 The selected firm is expected to commence the assignment on the date and at the location specified in Appendix “A”.

2.10.3 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.10.4 The procuring entity may at any time terminate procurement proceedings before contract award and shall not be liable to any person for the termination.

2.10.5 The procuring entity shall give prompt notice of the termination to the tenderers and on request give its reasons for termination within 14 days of receiving the request from any tenderer.

2.10.6 To qualify for contract awards, the tenderer shall have the following:

- (a) Necessary qualifications, capability experience, services, equipment and facilities to provide what is being procured.
- (b) Legal capacity to enter into a contract for procurement
- (c) Shall not be insolvent, in receivership, bankrupt or in the process of being wound up and is not the subject of legal proceedings relating to the foregoing.
- (d) Shall not be debarred from participating in public procurement.

2.11 Confidentiality

2.11.1 Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the consultants who submitted the proposals or to other persons not officially concerned with the process, until the winning firm has been notified that it has been awarded the Contract.

2.12 Corrupt or fraudulent practices

2.12.1 The procuring entity requires that the consultants observe the highest standards of ethics during the selection and award of the consultancy contract and also during the performance of the assignment. The tenderer shall sign a declaration that he has not and will not be involved in corrupt or fraudulent practices.

2.12.2 The procuring entity will reject a proposal for award if it determines that the consultant recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

2.12.3 Further a consultant who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.

2.13 APPENDIX TO INFORMATION TO CONSULTANTS

The following information for procurement of consultancy services and selection of consultants shall complement or amend the provisions of the information to consultants, wherever there is a conflict between the provisions of the information and to consultants and the provisions of the appendix, the provisions of the appendix herein shall prevail over those of the information to consultants.

Clause Reference:

1. The name of the Client is: **WATER RESOURCES AUTHORITY (WRA)**
2. The method of selection is: **QUALITY AND COST BASED SELECTION**
3. Technical and Financial Proposals are requested: **YES**

SECTION V: - TERMS OF REFERENCE

TERMS OF REFERENCE FOR A CONSULTANCY/ CONTRACT TO UNDERTAKE THE IMPLEMENTATION OF LAKE KENYATTA SUB-CATCHMENT AREA CONSERVATION PROGRAMME UNDER EQUALIZATION FUND

1. BACKGROUND INFORMATION

Introduction

Lake Kenyatta is estimated to cover a stretch of 380 acres with a sub catchment area of 496km². Lake Kenyatta Sub Catchment which is situated in Mpeketoni division of Lamu West sub county, Lamu County. It is located on the Northern coast of Kenya, 230km north of Malindi town.

Lake Kenyatta is one of fresh water lakes in Kenya it began drying up in 2016 and the drying rate was alarming. Within a period of one month, 15 hippos died and their carcasses were spread on the drying lake. This threatened human and wildlife populations that have for ages depended on it for water supply. At some point, the lake was completely dry and dotted with shells of millions of dead snails. The key contributor to lake drying was increased human settlement around the lake. The water ways which used to feed the lake have been interfered with by human activity. Increased number of cattle from neighbouring counties of Tana River, Garissa and Wajir, especially during dry spells has been experienced in the past.

Lake Kenyatta Sub-Catchment falls under management unit 4KB which is served by Mukuru River (seasonal), lakes notably Kenyatta and Amu and numerous wetlands which include Pangani, zebra, Majiglass and Witho.

It is for this reason that a consultant will be engaged through these TORs to undertake conservation activities in L. Kenyatta sub catchment in collaboration with WRA, WRUA and stakeholders. The Terms of Reference is to assist WRA to procure consultancy support implementation of activities in alignment to Equalization fund regulation.

2. OBJECTIVES OF THE ENGAGEMENT

The main objective of the Consultancy/contract is to undertake conservation activities in L. Kenyatta sub catchment in collaboration with WRA, WRUA and stakeholders. The Terms of Reference is to assist WRA to procure consultancy support implementation of activities in alignment to Equalization fund regulation.

3. SCOPE OF WORKS

This will include engagement of the WRA staff, WRUAs and other stakeholders in implementing the activities in the workplan. The activities shall be undertaken in L. Kenyatta sub catchment. The consultant shall be required to undertake desk review. This consultancy will have two levels of work namely firstly, collection of data and information in a form of a study to establish the actual status of the catchment, levels of water abstraction and pollution levels including threats to Lake Kenyatta. The second part will involve conservation and protection of the ecosystems of Lake Kenyatta with stakeholders. The Consultant will manage both levels under the direction of WRA.

Consultancy of work schedule 1`

<i>Management Action and Activities</i>	<i>Persons/Institutions Responsible</i>	<i>Time frame</i>
<i>Stakeholders engagement</i>	<i>WRA, WRUAs, and local stakeholders</i>	By September 2018
Conduct Baseline survey and abstraction survey to establish the water balance (SW and GW)	WRA & Lake Kenyatta WRUA	By June 2019
Establishing tree nursery 80*50 m at Mpeketoni KWS yard with a fence. With indigenous and fruit trees, elevated water tank of 5,000m ³ .	Lake Kenyatta WRUA, WRA, KFS, KWS	By June 2019
Mapping, pegging, and Marking of R. Mukuru and L. Kenyatta Riparian areas	WRA & Lake Kenyatta WRUA WRUAs, LAKWA,	By June 2019

3. KEY OUTPUTS

The key outputs of the study will include;

- 1) Lake Kenyatta sub-catchment conservation area water resources report
- 2) Abstraction survey report
- 3) Surface Water and Groundwater Resources assessment report
- 4) Land use and cover maps

A set of thematic digital maps with a scale of 1: 25,000 including:

- water struck levels
- drainage network
- rainfall distribution

- 5) Established tree nursery
- 6) Mapped riparian area of Lake Kenyatta and River Mukuru
- 7) Stakeholder sensitization report.
- 8) Publish final reports and maps. 6 hard copies and soft copies on CDs

4. REPORTING AND DURATION OF THE STUDY

The programme is expected to take four (4) months from the date of signing of the contract. The consultant/contractor shall organise regular meetings for briefing and reporting. The time schedule for the deliverables is as follows:

He/she shall deliver the following progress reports in both soft and hard copies (3 hard copies and 2 soft copy-CDs):

1. Inception Report: - This should be submitted within one weeks from date of signing the contract. The report should detail out, how the consultant intends to undertake the work; general information about the firm/individual including physical facilities available for this assignment; detailed work plan and activity schedule with time frame and reporting; Any other information, conditions or restrictions that the firm considers necessary to carry out the stipulated activities.

2. Progress Report: Within two (2) months from the date of signing of the contract: The report shall contain progress filling of gaps in data collected, results of analysis and interpretation and the resultant draft reports and maps.
3. Final Report: within two and a half (2.5) months from date of signing of the contract the consultant shall submit a draft final Report, data, and maps to the client for comments.

The consultant will be required to give ad hoc report as required by the client

5. QUALIFICATIONS AND EXPERIENCE

a. Experience of the Consultancy and contractor firm

The consultancy/ contracting firm must have conducted water resources assessments, water resources conservation activities, and studies for a period of not less than five (5) years of which one (1) of the projects undertaken must have used the methodology indicated above. Work experience with WRA will be an added advantage. Similarly, the firm should demonstrate competence in implementing, supervising and undertaking conservation works as a contractor of this nature in addition to providing services as a consultant as a joint venture. A proof of this including the references of the respective clients must be provided in the tender documents. The consultancy firm must be licensed by a recognized institution in Kenya. Thus, the firm:

- 1) must be eligible and possess the necessary permits and licences to undertake this kind of work in Kenya
- 2) must demonstrate capacity to collect and analyse large data sets in a timely manner;
- 3) must demonstrate capacity to produce high quality digital maps;
- 4) must demonstrate possession of experience of undertaking such projects.
- 5) demonstrate competence in implementing, supervising and undertaking conservation works as a contractor of this nature in addition to providing services as a consultant as a joint venture.

b. Qualifications and experience of key staff

The consulting / contracting team for the assignment shall be composed of qualified and experienced professionals. The Consultancy firm is required to propose a team composed of at least three (3) key members of staff who reflect an appropriate mix of disciplines, education, skills and levels of experience, a sound understanding of all aspects of water resources occurrence, prospecting, investigations, vulnerabilities, sustainable development, and management and a demonstrated regional experience on similar projects. The team shall therefore comprise of the following key areas of specialization;

- 1) Team leader (Environment Science)
- 2) Engineers and technicians
- 3) Remote Sensing/GIS
- 4) Sociologist
- 5) Semi-skilled workers

The qualifications, experience and expected duties of the Key staff are as below:

a) Lead Consultant/ contractor

The Lead Consultant/ contractor must possess a master's degree in Environmental science fields from a recognized University with over ten (10) years progressive

experience working in a developing country. Five (5) of which must have been on water resources assessment. S/He will plan and coordinate the activities of the project and liaise with the Client to deliver the scope of works;

He/she in addition to the requirements should be experienced in project planning, design, management, contract administration & management and water resource assessment planning and supervision.

b) Engineers and technicians with experience in water infrastructure and especially those related to conservation.

c) GIS and Remote Sensing Specialist.

The Specialist must have at least 5 years' experience of Remote Sensing GIS software, and will be expected to have experience in water resources assessment mapping. S/He should have experience in data collection, input, analysis, manipulation, maps production and report generation.

d) Hydrologist A Registered Hydrologist expert with a minimum BSC degree (Hydrology, Engineering or Natural Science) to lead in Surface Water Resource Assessment He/she should have a minimum experience of 5 years.

e) Sociologist

Bachelor of Arts Degree in sociology and related studies, minimum experience of 5 years. Have experience working with communities in water resources especially in ASAL areas

6. Statement of the Duties and Responsibility of the client

The Client represented by the Accounting Officer will be responsible to support the successful consultant and work with him during the project period by:

- i. Providing data and information as may be required
- ii. Organizing and mobilizing stakeholders and ensuring their participation
- iii. Introducing the consultants to the County officials and stakeholders;
- iv. Introducing the consultant to agencies and organization with any relevant data /information for the consultancy.
- v. Monitoring and supervising the project implementation;
- vi. Reviewing, validating and approving submitted project documents
- vii. Processing consultant's payments
- viii. Any other assistance that might be required by the consultant to ensure successful project run.

7. CONSULTANT'S/ CONTRACTOR'S FEES AND PAYMENTS

The Consultancy and contractor services and works will be for a fixed sum and they will not claim any additional payments to compensate for exchange rate fluctuations or price escalation and delays in payments of not more than 90 days.

In proposing the level, timing and type of professional staff, the Consultant/contractor will take due account of the requirements of the terms of reference and will consider all relevant factors that may affect the cost of the assignment.

Payments are proposed to be made according to the following schedule:

1. Submission and acceptance of Inception report:20%
 2. Submission of 1st Progress Report: 50%
 3. Submission of acceptable Final report & Maps: 30%
- E-mail: wra@wra.go.ke / procurement.wrma@gmail.com

Consultants' Experience

- a) Tenderers should submit a detailed narrative describing their relevant corporate portfolio in preparation of similar assignments.
- b) Proposals should include details describing the relevant experience of the proposed assignment participants. The information should include a description of the education, knowledge and relevant experience as well as certifications or other professional credentials that clearly shows the individuals is qualified to perform the required work. It should also include resumes of the proposed assignment participants

Lead Consultant's Experience

- a) Tenderers should submit details describing experience and capacity in handling similar jobs. The information should include a thorough description of the education, knowledge, and relevant experience as well as certifications or other professional credentials that clearly show the individual is qualified to perform the required work. Service providers should also submit a current detailed résumé of their proposed Lead Consultant.
- b) ~~Management should provide expertise for similar contracts and projects. Tenderers should provide project Documentation that they feel will support their descriptive narrative.~~

References

- a) The proposal should include three (3) references from clients who received similar services from the Consultancy. The proposal is encouraged to include clients having similar scope of services, industry and scales as the WRA.
- b) The Consultant will provide a brief description of the services provided for each client. It must be ensured that the WRA is able to have appropriate access to the clients listed.
- c) The minimum information that should be provided about each reference must include the following:
 - Contact person;
 - Organization/company name;
 - Telephone number/Cell phone number and official email address of contact person;
 - Type of consultancy services provided; and
 - Period the service was provided.

Terms of Contract

Before tender allocation, the companies that meet the basic requirements will be required to give a presentation on projects they have previously worked on. The presentation will constitute 30% of the total marks awarded during evaluation.

II. GENERAL CONDITIONS OF CONTRACT

1. GENERAL PROVISIONS

1.1 Definitions Unless the context otherwise requires, the following terms whenever used in this Contract shall have the following meanings:

- (a) “Applicable Law” means the laws and any other instruments having the force of law in the Republic of Kenya as they may be issued and in force from time to time;
- (b) “Contract” means the Contract signed by the Parties, to which these General Conditions of Contract (GC) are attached together with all the documents listed in Clause 1 of such signed Contract;
- (c) “Contract Price” means the price to be paid for the performance of the Services in accordance with Clause 6 here below;
- (d) “Foreign Currency” means any currency other than the Kenya Shilling;
- (e) “GC” means these General Conditions of Contract;
- (f) “Government” means the Government of the Republic of Kenya;
- (g) “Local Currency” means the Kenya Shilling;
- (h) “Member”, in case the Consultant consists of a joint venture of more than one entity, means any of these entities; “Members” means all these entities, and “Member in Charge” means the entity specified in the SC to act on their behalf in exercising all the Consultant’s rights and obligations towards the Client under this Contract;
- (i) “Party” means the Client or the Consultant, as the case may be and “Parties” means both of them;
- (j) “Personnel” means persons hired by the Consultant or by any Sub consultant as employees and assigned to the performance of the Services or any part thereof;
- (k) “SC” means the Special Conditions of Contract by which the GC may be amended or supplemented;
- (l) “Services” means the work to be performed by the Consultant pursuant to this Contract, as described in Appendix A; and
- (m) “Sub consultant” means any entity to which the Consultant subcontracts any part of the Services in accordance with the provisions of Clauses 3 and 4.

1.2 Law Governing the Contract

This Contract, its meaning and interpretation and the relationship between the Parties shall be governed by the Laws of Kenya.

1.3 Language

This Contract has been executed in English language which shall be the binding and controlling language for all matters relating to the meaning or interpretation of this Contract.

1.4 Notices

Any notice, request, or consent made pursuant to this Contract shall be in writing and shall be deemed to have been made when delivered in person to an authorized representative of the Party to whom the communication is addressed or when sent by registered mail, telex, telegram or facsimile to such Party at the address specified in the SC.

1.5 Location

The Services shall be performed at such locations as are specified in Appendix A and, where the location of a particular task is not so specified, at such locations, whether in the Republic of Kenya or elsewhere, as the Client may approve.

(viii)

1.6.1 Authorized Representatives

Any action required or permitted to be taken and any document required or permitted to be executed under this Contract by the Client or the Consultant may be taken or executed by the officials specified in the SC.

(ix)

1.7 Taxes and Duties

The Consultant, Sub consultant[s] and their personnel shall pay such taxes, duties, fees and other impositions as may be levied under the Laws of Kenya, the amount of which is deemed to have been included in the Contract Price

2. Commencement, Completion, Modification and Termination of Contract (ix)

2.1 Effectiveness of Contract

This Contract shall come into effect on the date the Contract is signed by both Parties and such other later date as may be stated in the SC.

2.2 Commencement of Services

The Consultant shall begin carrying out the Services thirty (30) days after the date the Contract becomes effective or at such other date as may be specified in the SC.

2.3 Expiration of Contract

Unless terminated earlier pursuant to Clause 2.6, this Contract shall terminate at the end of such time period, after the Effective Date, as is specified in the SC.

2.4 Modification

Modification of the terms and Conditions of this Contract, including any modification of the scope of the Services or the Contract Price, may only be made by written agreement between the Parties.

2.5 Force Majeure

2.5.1 Definition

For the purposes of this Contract, “Force Majeure” means an event which is beyond the reasonable control of a Party and which makes a Party’s performance of its obligations under the Contract impossible or so impractical as to be considered impossible under the circumstances.

2.5.2 No Breach of Contract

The failure of a Party to fulfill any of its obligations under the Contract shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event (a) has taken all reasonable precautions, due care and reasonable alternative measures in order to carry out the terms and conditions of this Contract, and (b) has informed the other Party as soon as possible about the occurrence of such an event.

(ix)

2.5.3 Extension Of Time

Any period within which a Party shall, pursuant to this Contract complete any action or task shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

2.5.4 Payments

During the period of his inability to perform the Services as a result of an event of Force Majeure, the Consultant shall be entitled to continue to be paid under the terms of this

Contract, as well as to be reimbursed for additional costs reasonably and necessarily incurred by him during such period for the purposes of the Services and in reactivating the Service after the end of such period.

(x)

2.6 Termination

2.6.1 By the Client

The Client may terminate this Contract by not less than thirty (30) days' written notice of termination to the Consultant, to be given after the occurrence of any of the events specified in this Clause;

(a) if the Consultant does not remedy a failure in the performance of his obligations under the Contract within thirty (30) days after being notified or within any further period as the Client may have subsequently approved in writing;

(b) if the Consultant becomes insolvent or bankrupt;

(c) if, as a result of Force Majeure, the Consultant is unable to perform a material portion of the Services for a period of not less than sixty (60) days; or

(d) if the Consultant, in the judgment of the Client, has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

For the purpose of this clause; "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the selection process or in Contract execution.

(x)

"fraudulent practice" means a misrepresentation of facts in order to influence a selection process or the execution of Contract to the detriment of the Client, and includes collusive practice among consultants (prior to or after submission of proposals) designed to establish prices at artificial non-competitive levels and to deprive the Client of the benefits of free and open competition.

(e) if the Client in his sole discretion decides to terminate this Contract.

2.6.1 By the Consultant

The Consultant may terminate this Contract by not less than thirty (30) days' written notice to the Client, such notice to be given after the occurrence of any of the following events;

- (a) if the Client fails to pay any monies due to the Consultant pursuant to this Contract and not subject to dispute pursuant to Clause 7 within sixty (60) days after receiving written notice from the Consultant that such payment is overdue; or
- (b) if, as a result of Force Majeure, the Consultant is unable to perform a material portion of the Services for a period of not less than sixty (60) days.

2.6.3 Payment upon termination upon termination of this Contract pursuant to Clauses 2.6.1 Or 2.6.2, the Client shall make the following payments to the Consultant:

- (a) remuneration pursuant to Clause 6 for Services satisfactorily performed prior to the effective date of termination;
- (b) Except in the case of termination pursuant to paragraphs (a) and (b) of Clause 2.6.1, reimbursement of any reasonable costs incident to the prompt and orderly termination of the Contract, including the cost of the return travel of the Personnel and their eligible dependents.

(xii)

3. Obligations of the Consultant

3.1 General

The Consultant shall perform the Services and carry out his obligations with all due diligence, efficiency and economy in accordance with generally accepted professional techniques and practices and shall observe sound management practices, and employ appropriate advanced technology and safe methods. The Consultant shall always act, in respect of any matter relating to this Contract or to the Services, as faithful adviser to the Client and shall at all times support and safeguard the Client’s legitimate interests in any dealing with Sub consultants or third parties.

(xiii)

1.2 Conflict of Interests

3.2.1 Consultant Not to Benefit from Commissions, Discounts, Etc.

- (i) The remuneration of the Consultant pursuant to Clause 6 shall constitute the Consultant’s sole remuneration in connection with this Contract or, the Services and the Consultant shall not accept for his own benefit any trade commission, discount or similar payment in connection with activities pursuant to this Contract or to the Services or in the discharge of his obligations under the Contract and the Consultant shall use his best efforts to ensure that his personnel, any sub consultant[s] and agents of either of them similarly shall not receive any such additional remuneration.
- (ii) For a period of two years after the expiration of this Contract, the Consultant shall not engage and shall cause his personnel as well as his sub consultant[s] and his/their personnel not to engage in the activity of a purchaser (directly or indirectly) of the assets on which he advised the Client on this Contract nor shall he engage in the activity of an adviser (directly or indirectly) of potential purchasers of such assets.

- (iii) Where the Consultant as part of the Services has the responsibility of advising the Client on the procurement of goods, works or services, the Consultant will comply with any applicable
- (iv) Procurement guidelines and shall at all times exercise such responsibility in the best interest of the Client. Any discounts or commissions obtained by the Consultant in the exercise of such procurement shall be for the account of the Client.

3.2.2 Consultant and Affiliates Not to be Otherwise Interested in Project

The Consultant agrees that, during the term of this Contract and after its termination, the Consultant and his affiliates, as well as any Sub consultant and any of his affiliates, shall be disqualified from providing goods, works or services (other than the Services and any continuation thereof) for any project resulting from or closely related to the Services.

3.2.3 Prohibition of Conflicting Activities

Neither the Consultant nor his sub consultant[s] nor their personnel shall engage, either directly or indirectly in any of the following activities:

- (a) during the term of this Contract, any business or professional activities in the Republic of Kenya which would conflict with the activities assigned to them under this Contract; or
- (b) After the termination of this Contract, such other activities as may be specified in the SC.

3.3 Confidentiality

The Consultant, his sub consultant[s] and the personnel of either of them shall not, either during the term of this Contract or within two (2) years after the expiration of this Contract, disclose any proprietary or confidential information relating to the Project, the Services, this Contract or the Client’s business or operations without the prior written consent of the Client.

(iv)

3.4 Insurance to be Taken Out by the Consultant

The Consultant (a) shall take out and maintain and shall cause any sub consultant[s] to take out and maintain, at his (or the sub consultants’, as the case may be) own cost but on terms and conditions approved by the Client, insurance against the risks and for the coverage, as shall be specified in the SC; and (b) at the Client’s request, shall provide evidence to the Client showing that such insurance has been taken out and maintained and that the current premiums have been paid.

(xv)

3.5 Consultant’s Actions requiring Client’s prior Approval

The Consultant shall obtain the Client's prior approval in writing before taking any of the following actions;

- (a) entering into a subcontract for the performance of any part of the Services,
- (b) Appointing such members of the personnel not listed by name in Appendix C ("Key Personnel and Sub consultants").

3.6 Reporting Obligations

The Consultants shall submit to the Client the reports and documents specified in Appendix A in the form, in the numbers, and within the periods set forth in the said Appendix.

3.7 Documents prepared by the Consultant to Be the Property of the Client

All plans, drawings, specifications, designs, reports and other documents and software submitted by the Consultant in accordance with Clause 3.6 shall become and remain the property of the Client and the Consultant shall, not later than upon termination or expiration of this Contract, deliver all such documents and software to the Client together with a detailed inventory thereof. The Consultant may retain a copy of such documents and software. Neither Party shall use these documents for purposes unrelated to this Contract without the prior approval of the other Party.

(xv)

4. Consultant's Personnel

4.1 Description of Personnel

The titles, agreed job descriptions, minimum qualifications and estimated periods of engagement in the carrying out of the Services of the Consultant's Key Personnel are described in Appendix C. The Key Personnel and Sub consultants listed by title as well as by name in Appendix C are hereby approved by the Client.

4.2 Removal and/or Replacement Of Personnel

(a) Except as the Client may otherwise agree, no changes shall be made in the Key Personnel. If for any reason beyond the reasonable control of the Consultant, it becomes necessary to replace any of the Key Personnel, the Consultant shall provide as a replacement a person of equivalent or better qualifications.

(b) If the Client finds that any of the Personnel have (i) committed serious misconduct or have been charged with having committed a criminal action, or (ii) the Client has reasonable cause to be dissatisfied with the performance of any of the Personnel, then the Consultant shall, at the Client's written request specifying the grounds thereof, provide as a replacement a person with qualifications and experience acceptable to the Client.

(c) The Consultant shall have no claim for additional costs arising out of or incidental to any removal and/or replacement of Personnel.

(xvi)

5. Obligations of the Client

5.1 Assistance and Exemptions

The Client shall use his best efforts to ensure that he provides the Consultant such assistance and exemptions as may be necessary for due performance of this Contract.

5.2 Change in the Applicable Law

If after the date of this Contract, there is any change in the Laws of Kenya with respect to taxes and duties which increases or decreases the cost of the Services rendered by the Consultant, then the remuneration and reimbursable expenses otherwise payable to the Consultant under this Contract shall be increased or decreased accordingly by agreement between the Parties and corresponding adjustments shall be made to the amounts referred to in Clause 6.2 (a) or (b), as the case may be.

5.3 Services and Facilities

The Client shall make available to the Consultant the Services and Facilities listed under Appendix F.

(xvi)

6. Payments to the Consultant

6.1 Lump-Sum Remuneration

The Consultant's total remuneration shall not exceed the Contract Price and shall be a fixed lump-sum including all staff costs, Sub consultants' costs, printing, communications, travel, accommodation and the like and all other costs incurred by the Consultant in carrying out the Services described in Appendix A. Except as provided in Clause 5.2, the Contract Price may only be increased above the amounts stated in Clause 6.2 if the Parties have agreed to additional payments in accordance with Clause 2.4.

(xvii)

6.2 Contract Price

- (a) The price payable in foreign currency is set forth in the SC.
- (b) The price payable in local currency is set forth in the SC.

6.3 Payment for Additional Services

For the purposes of determining the remuneration due for additional services as may be agreed under Clause 2.4, a breakdown of the lump-sum price is provided in Appendices D and E.

6.4 Terms and Conditions of Payment

Payments will be made to the account of the Consultant and according to the payment schedule stated in the SC. Unless otherwise stated in the SC, the first payment shall be made against the provision by the Consultant of a bank guarantee for the same amount and shall be valid for the period stated in the SC. Any other payment shall be made after the conditions listed in the SC for such payment have been met and the Consultant has submitted an invoice to the Client specifying the amount due.

6.5 Interest on Delayed Payment

Payment shall be made within thirty (30) days of receipt of invoice and the relevant documents specified in Clause 6.4. If the Client has delayed payments beyond thirty (30) days after the due date hereof, simple interest shall be paid to the Consultant for each day of delay at a rate three percentage points above the prevailing Central Bank of Kenya's average rate for base lending.

(xvii)

7. Settlement of Disputes

7.1 Amicable Settlement

The Parties shall use their best efforts to settle amicably all disputes arising out of or in connection with this Contract or its interpretation.

(xviii)

7.2 Dispute Settlement

Any dispute between the Parties as to matters arising pursuant to this Contract that cannot be settled amicably within thirty (30) days after receipt by one Party of the other Party's request for such amicable settlement may be referred by either Party to the arbitration and final decision of a person to be agreed between the Parties. Failing agreement to concur in the appointment of an Arbitrator, the Arbitrator shall be appointed by the Chairman of the Chartered Institute of Arbitrators, Kenya Branch, on the request of the applying party.

(xix)

[Date]

To,

**THE CHIEF EXECUTIVE OFFICER
WATER RESOURCES AUTHORITY
P.O. BOX 45250-00100
NAIROBI, KENYA**

Dear Sir,

**Ref: RFP for CONSULTANCY SERVICES FOR IMPLEMENTATION OF L.KENYATTA
CONSERVATION PROGRAMME.**

Having examined the RFP, the receipt of which is hereby duly acknowledged, we, the undersigned, offer to provide the professional services as required and outlined in the RFP for the Consultancy Services for Implementation of Lake Kenyatta Conservation Programme.

We attach hereto the response as required by the RFP, which constitutes our proposal.

We confirm that the information contained in this response or any part thereof, including its exhibits, and other documents and instruments delivered or to be delivered to Water Resources Authority (WRA) is true, accurate, verifiable and complete. This response includes all information necessary to ensure that the statements therein do not in whole or in part mislead Water Resources Authority (WRA) in its shortlisting process.

We fully understand and agree to comply that on verification, if any of the information provided here is found to be misleading the shortlisting process, we are liable to be dismissed from the selection process or termination of the agreement during the project, if selected to do so.

We agree for unconditional acceptance of all the terms and conditions set out in the RFP document and also agree to abide by this tender response for a period of six (6) months from the date fixed for bid opening.

It is hereby confirmed that I/We are entitled to act on behalf of our company/ corporation/firm/ organization and empowered to sign this

document as well as such other documents, which may be required in this connection.

The following persons will be the authorized representatives of the company for all the future correspondence till the completion of the bidding process, between Water Resources Authority (WRA) and our organization.

Sub: Undertaking on Personnel

Dear Sir,

1. I/We do hereby undertake that those persons whose profiles were part of the basis for evaluation of the bids and have been identified as “Key Personnel” of the proposed team, shall be deployed during the Assignment as per our bid submitted in response to the RFP.
2. I/we undertake that all the resources proposed for deployment on the Assignment at Water Resources Authority (WRA) site are Kenyan Citizens and we are open for verification and security clearance of the above resources by Water Resources Authority (WRA).
3. We undertake that any of the identified “Key Personnel” shall not be removed or replaced without the prior written consent of Water Resources Authority (WRA).
4. Under exceptional circumstances, if the Key Personnel are to be replaced or removed, we shall put forward the profiles of personnel being proposed as replacements, which will be either equivalent or better than the ones being replaced. However, whether these profiles are better or equivalent to the ones being replaced will be decided by Water Resources Authority (WRA). Water Resources Authority (WRA) will have the right to accept or reject these substitute profiles.
5. We also undertake to staff the Project with competent team members in case any of the proposed team members leave the Project either due to voluntary severance or disciplinary actions against them.
6. We acknowledge that Water Resources Authority (WRA) has the right to seek the replacement of any member of the Consultancy team being deployed by us, based on the assessment of Water Resources Authority (WRA) that the person in question is incompetent to carry out the tasks expected of him/her or found that person does not really possess the skills /experience/qualifications as projected in his/her profile or on the ground of security concerns or breach of ethics.

7. In case we assign or reassign any of the team members, we shall be responsible, at our expense, for transferring all appropriate knowledge from personnel being replaced to their replacements within a reasonable time.

Yours faithfully,
