

**WATER RESOURCES AUTHORITY**

**TENDER No.: KE-WRA-CW-RFB**

**ADDENDUM NO.2**

**TENDER NAME: Procurement of Construction of Works for Batch 1 Water Pans Within Mandera County, Wajir County, Turkana County, Marsabit and Garissa County.**

**9<sup>th</sup> March, 2026**

**TO ALL BIDDERS**

**RE:ITB 11.1 (b) Mandatory Site Visit Requirement for Bidders – Batch 1 MAR Infrastructure Sites under the HoAGW4RP.**

Reference is made to the Request for Bids for the procurement of Construction of Works for Batch 1 MAR Infrastructure under the Horn of Africa Groundwater for Resilience Project (HoAGW4RP), advertised on 24<sup>th</sup> February 2026.

Bidders are reminded that site visits for all proposed Batch 1 MAR Infrastructure sites are mandatory, as provided for in the Standard Procurement Documents (SPDs) available on the Authority's website.

1. The Standard Procurement Documents (SPDs) indicate that site visits are mandatory and form part of the bidding requirements.
2. GPS coordinates for all Batch 1 MAR infrastructure sites are provided in the bidding documents and in the table below to assist bidders in planning and accessing the project sites.
3. In the event of any challenges in accessing the sites, bidders are advised to contact the nearest WRA Sub-Basin Office for guidance and support. The addresses and contact details of the respective Sub-Basin Offices are provided below.
4. The site visit schedule is outlined in the table below.
